

Fatigue in multiple sclerosis

Measurement and management

Marc B. Rietberg

The studies presented in this thesis were carried out at the Department of Rehabilitation Medicine of the VU University Medical Center Amsterdam, the Netherlands. The work was supported by a grant from the Stichting MS research, the Dutch MS research foundation (grant number 04553_MS).

The printing of this thesis was financially supported by EFOX, the Scientific College Physical Therapy (WCF) of the Royal Dutch Society for Physical Therapy (KNGF) and the Dutch MS Research Foundation.

door

Martinus Berend Rietberg

geboren te Groningen

promotor:

prof.dr. G. Kwakkel

copromotor:

dr. E.E.H. van Wegen

Old friends pass away, new friends appear. It is just like the days.

*An old day passes, a new day arrives. The important thing is to
make it meaningful: a meaningful friend – or a meaningful day.*

Dalai Lama
