

Table of contents

Table of contents

Table of contents	7
Chapter 1: General introduction	11
Part 1: The nature of problems in motor, cognitive, and behavioral functioning of very preterm children at school age	25
Chapter 2: Motor development in very preterm and very low birth weight children from birth to adolescence: a meta-analysis. <i>JAMA</i> , 2009; 302: 2235-2242.....	27
Chapter 3: A crucial role of predictability of the motor response in visuomotor deficits of very preterm children at school age. <i>Developmental Medicine & Child Neurology</i> , in press	47
Chapter 4: Attention problems of very preterm children compared to age-matched term controls at school age. <i>The Journal of Pediatrics</i> , 2012; 161: 824-829	63
Part 2: Alterations in brain development underpinning the problems in motor, cognitive, and behavioral functioning of very preterm children	79
Chapter 5: Brain development of very preterm and very low birth weight children in childhood and adolescence: a meta-analysis. <i>Developmental Medicine & Child Neurology</i> , 2012; 54: 313-323	81
Chapter 6: A crucial role of altered white matter integrity in motor problems of very preterm children. Submitted.....	101
Chapter 7: White matter alterations underpinning interference control problems of very preterm children. Submitted.....	117

Part 3: The potential for reducing altered brain development by decreasing the infection morbidity in very preterm children.....	135
Chapter 8: Perinatal infections and neurodevelopmental outcome in very preterm and very low birth weight infants: a meta-analysis. <i>JAMA Pediatrics</i> , in press.....	137
Chapter 9: Effects of neonatal glutamine supplementation on cognitive, motor, and behavioral outcomes in very preterm children at school age. <i>British Journal of Nutrition</i> , 2012; 108: 2215-2220.	153
Chapter 10: Effects of glutamine on brain development in very preterm children at school age. <i>Pediatrics</i> , 2012; 130: 1121-1127	167
Chapter 11: Glutamine effects on brain growth in very preterm children in the first year of life. <i>Clinical Nutrition</i> , in press.....	183
Chapter 12: Summary and discussion	199
Nederlandse samenvatting	221
