

Table of contents

Introduction		11
Chapter 1:	General introduction	13
Depression and anxiety in visually impaired older adults		27
Chapter 2:	Major depressive and anxiety disorders in visually impaired older adults. <i>Invest Ophthalmol Vis Sci 2015; 56:849-54</i>	29
Chapter 3:	Validated prediction model of subthreshold depression in visually impaired older adults: based on a European and Australian sample. <i>Ophthalmology 2016 [Epub ahead of print]</i>	43
Chapter 4:	Why visually impaired older adults often do not receive mental health services: the patient's perspective. <i>Qual Life Res 2014; 24:969-78</i>	63
Chapter 5:	Treatments of mental health problems in visually impaired adults: systematic review and meta-analysis. <i>Submitted</i>	79
Stepped care intervention		111
Chapter 6:	Stepped care to prevent depression and anxiety in visually impaired older adults: design of a randomised controlled trial. <i>BMC Psychiatry 2013; 13:209</i>	113
Chapter 7:	Watchful waiting for subthreshold depression and anxiety in visually impaired older adults. <i>Qual Life Res 2015; 24:2885-93</i>	129
Chapter 8:	Stepped care for depression and anxiety in visually impaired older adults: a multicentre randomised controlled trial. <i>BMJ 2015; 351:h6127</i>	145
Chapter 9:	Economic evaluation of stepped care for depression and anxiety in visually impaired older adults: multicentre randomised controlled trial. <i>Submitted</i>	167
Discussion and summary		185
Chapter 10:	Summary and general discussion	187
Chapter 11:	Nederlandse samenvatting (Dutch summary)	201
	Dankwoord (acknowledgements)	207
	Curriculum Vitae	211
Appendix:	Science leaks: a signal to improve data protection in scientific research. <i>J Clin Res Bioeth 2015; 6:221</i>	215
