

Cathrin Barbara Canto

Layer Specific Integrative Properties of Entorhinal Principal Neurons

Thesis for the degree of Doctor

Amsterdam, September 2011

VU University Amsterdam
Faculty of Medicine
Department of Anatomy and Neurosciences,
Neuroscience Campus Amsterdam

Thesis for the degree of doctor philosophiae

Trondheim, October 2011

Norwegian University of Science and Technology
Faculty of Medicine
Centre for the Biology of Memory,
Kavli Institute for Systems Neuroscience

VRIJE UNIVERSITEIT

Layer Specific Integrative Properties of
Entorhinal Principal Neurons

ACADEMISCH PROEFSCHRIFT

ter verkrijging van de graad Doctor aan
de Vrije Universiteit Amsterdam,
op gezag van de rector magnificus
prof.dr. L.M. Bouter,
in het openbaar te verdedigen
ten overstaan van de promotiecommissie
van de faculteit der Geneeskunde
op vrijdag 16 september 2011 om 11.45 uur
in de aula van de universiteit,
De Boelelaan 1105

Doctoral Theses at NTNU, 2011: 204

The research presented in this thesis was carried out at the Department of Anatomy and Neurosciences, Neuroscience Campus Amsterdam, VU University Medical Center, Amsterdam, The Netherlands and at the Centre for the Biology of Memory, Kavli Institute for Systems Neuroscience, NTNU, Trondheim, Norway. A cotutelle agreement was signed by NTNU and VU University Amsterdam.

To Amelie

Table of content

Chapter 1	Introduction and Objectives	13
Chapter 2	Cellular properties of principal neurons in the rat entorhinal cortex. I. The lateral entorhinal cortex <i>Under review at Hippocampus</i>	57
Chapter 3	Cellular properties of principal neurons in the rat entorhinal cortex. II. The medial entorhinal cortex <i>Under review at Hippocampus</i>	97
Chapter 4	Monosynaptic inputs from presubiculum and parasubiculum converge on medial entorhinal cortex principal neurons <i>To be submitted to Nature Neuroscience</i>	139
Chapter 5	Development of functional projections from presubiculum and parasubiculum to medial entorhinal cortex in the rat <i>In preparation</i>	179
Chapter 6	Synopsis of results and Discussion	213
Chapter 7	Abbreviations, Legal and ethical aspects, Nederlandse samenvatting and Norsk sammendrag	241
Chapter 8	Bibliography & Curriculum vitae Acknowledgement	251
