

CURRICULUM VITAE

Name : Joost Dekker

Date of birth : 23 June 1951

Address : Amsterdam University Medical Centers, Dept of Rehabilitation Medicine,

P.O. Box 7057, 1007 MB Amsterdam, the Netherlands

Phone : +31.20.44.44.256

E-mail : j.dekker@vumc.nl

Home address : A. van Schendelstraat 59, 3511 MA Utrecht, the Netherlands

Mobile : +316.55.72.68.87

Education

1980 : Masters degree in psychology, Utrecht, the Netherlands

1975 : Bachelors degree in psychology (cum laude), Utrecht, the Netherlands

1973 : Bachelors degree in chemistry (cum laude), Utrecht, the Netherlands

1969 : Gymnasium B (cum laude), Almelo, the Netherlands

Dissertation

1988 : Voluntary control of sexual arousal. Experimental studies on sexual imagery and sexual history as determinants of the sexual response (cum laude).

Honours and awards

- 2018: International Society of Behavioral Medicine – Abstract selected as one of ten meritorious abstracts for ICBM 2018. Abstract title: Screening and stepped care targeting psychological distress in patients with metastatic colorectal cancer: the TES cluster randomized trial.
- 2018: International Society of Behavioral Medicine – International Collaborations Award
- 2018: Rated as an 'Outstanding (top 5%) Reviewer for Arthritis Care & Research'
- 2017: Guest Professor, Hebei General Hospital, Shijiazhuang, China
- 2017: Rated as an 'Outstanding (top 5%) Reviewer for Arthritis Care & Research'
- 2015: Award EMGO Institute for Health and Care Research
- 2015: Dutch Rheumatology Medal, Netherlands Society for Rheumatology
- 2015: Rated as an 'Outstanding (top 5%) Reviewer for Arthritis Care & Research'
- 2013: Distinguished International Affiliate, Division 38, American Psychological Association

1980-1987 : Junior researcher at the Department of Clinical Psychology, University of Utrecht, the Netherlands; from 1984 employed by The Netherlands Organisation for the Advancement of Pure Research.

Postgraduate training and membership of professional organisations

- Registration as 'health psychologist' (BIG-registratie gz-psycholoog; 1999- 2016)
- Netherlands Behavioral Medicine Federation (1988-present)
- Society of Behavioral Medicine (1996-present)
- American Psychological Association, Division 38, 2015
- Association of Rheumatology Health Professionals/American College of Rheumatology (1999- 2018)
- Dutch Society for Rheumatology (2003- 2016)
- Netherlands Health Professionals in Rheumatology (2004 – present)
- Academy of Behavioral Medicine Research (2012 – present)
- Nederlandse Vereniging voor Psychosociale Oncology (2013 – present)
- International Psychooncology Society (2015 – present)
- Certificate 'Good Clinical Practice', 2008 and 2010; registration in BROK-register (2010 – present)
- Netherlands Institute of Psychologists (member: 1995 - 2016; registration as clinical psychologist: 1985-2005)
- Society of Technology Assessment in Health Care (1997-2012)
- World Association of Medical Editors (2008 – 2011)
- Osteoarthritis Research Society (2011, 2012)
- Society for Behavior Therapy (Dutch, registration as behavior therapist; 1984-2001)
- European Health Psychology Society (1989-2000)
- Society for Psychophysiological Research (1988-2000)
- Society for Sexology (Dutch; 1986-1999)
- International Academy of Sex Research (1988-1995)

Research interest

Research on behavioral factors in somatic disease. Focus on musculoskeletal disorders, malignant disorders (oncology), and neurological disorders.

Previously, structure and function of allied health care. Focus on diagnosis and treatment in allied health care.

Before that, clinical psychophysiological research. Focus on sexual arousal and sexual dysfunction.

Teaching

Course on Clinimetrics (coordinator), 1999, 2000, 2001, 2002, 2003, 2004 (2x), 2005, 2006, 2007 (2x), 2008, 2009, 2010, 2011, 2012, 2013, 2014

Lectures contributing to curricula at

- o Research Institute MOVE (2009 – 2016)
- o Faculty of Sports and Health Sciences, University of Jyväskylä, Finland (2007 - 2013)
- o EMGO Institute for Health and Care Research (2008 – 2015)

Administrative and advisory activities

- International Society of Behavioral Medicine
- . Member at Large, 2018 – present
- . Treasurer 2016 - 2018
- . Past President 2014 – 2016
- . President 2012 – 2014
- . President Elect, 2010 - 2012
- . Member of Governing Council, 1994-2000
- . Chair of Awards Committee, 2014 - 2016
- . Chair of Strategic Planning Committee, 2004 – 2006

- . Chair of Nominations Committee, 2006
- . Co-chair of Education and Training Committee, 1996-1998
- . Chair of Education and Training Committee, 1998-2002
- Society of Behavioral Medicine
- . Member Committee on Evidence Based Behavioral Medicine/Liaison to International Society of Behavioral Medicine, 2006 - 2012
- . Chair of Sub-Committee on Systematic Reviews of the Committee on Evidence Based Behavioral Medicine, 2006 - 2008
- Netherlands Behavioral Medicine Federation
- . Member of Board, 1990-1995; 2005 – present
- . Chair of Board, 1995-2000
- . Treasurer of Board of the Foundation for Symposia and Congresses on Behavioral Medicine, 1990-2002
- Ergotherapie Nederland (Occupational Therapy Netherlands, Committee of Science and Research, chair, 2017 - present
- Taskforce Cancer Survivorship, member, 2016 – present
- Taskforce 'De Juiste Zorg op de Juist Plek', 2018
- Health Council of the Netherlands (Gezondheidsraad)
- . Member of Health Council of the Netherlands, 2003 – 2015
- . Member of Committee on Medical Technology Assessment, 1998-2015
- . Chair of the Task Force on Better Care for Osteoarthritis (2008 – 2010)
- . Member of the Committee on Prevention in the Elderly (2007 – 2009)
- . Chair of Task Force on Exercise Therapy, 2002-2003
- Cochrane Collaboration
- . Member of Advisory Board of the Cochrane Behavioral Medicine Field, 2006 – 2009
- 'Stichting Bevordering Revalidatie VUmc'
- . Chair, 2006 – 2018
- Behaviour Change Technique Taxonomy Project
- . Member of International Advisory Board, 2010- 2013
- Foundation for the History of Physiotherapy
- . Member of Advisory Board, 2001- 2016
- Netherlands Health Professionals in Rheumatology (NHPR)
- . Chair, 2012 - 2016
- 'Opleidingsadviesraad Ergotherapie', Hogeschool van Amsterdam
- . Member, 2004 – 2007
- Study Group Behavioral Research in Rheumatic Disorders (SWORA)
- . Chair, 1998-2001
- National Steering Committee 'Bone and Joint Decade 2000-2010'
- . Member, 1999-2000
- Task Force 'Science' of 'Hersenwerk 2002'
- . Member, 1999-2001
- Section 'Psychologists in Health Care' of the Netherlands Institute of Psychologists
- . Chair, 2000-2003
- Health Research Council (Raad voor het Gezondheidsonderzoek)
- . Member of the Committee on Physical Therapy, 2002 – 2003

Programming of research, reviewing of grant proposals, and reviewing of applications

- CHECK Foundation, Member of the Board and Secretary, 2015 - present
- VUmc Cancer Center Amsterdam, Science Committee, member, 2017 – present
- Dutch Cancer Society KWF, Scientific Council, member, 2011 – 2017
- VU University Medical Center, Amsterdam, Standing Committee on Science, member, 2014 - 2016
- Dutch Arthritis Association (Nationaal Reumafonds), Scientific Advisory Board, member, 2013 – 2016
- Netherlands Organisation for Health Research and Development (ZonMW), External Evaluation Committee of the

- National Program Care for Older People (Nationaal Programma Ouderenzorg), member, 2016 – 2017
- Dutch Arthritis Association (Nationaal Reumafonds), Steering group 'Research on Osteoarthritis': member, 1999 - 2015
 - Koninklijk Nederlands Genootschap voor Fysiotherapie/ Royal Dutch Society for Physiotherapy
 - . Member of the Scientific Advisory Committee, 2001 - 2013
 - . Chair/member of the 'Commissie van Advies', 2003- 2006; 2009 – 2012
 - . Member of the 'Commissie Onderzoek Begeleiding', 2002 – 2012
 - European Project on Osteoarthritis (EPOSA), Member of Steering Group, 2008 – 2013
 - Tilburg University
 - . Member of the Evaluation Committee CoRPS Research Institute, 2014
 - Karolinska Institute, Stockholm, Sweden
 - . Reviewer applicants for the position of Senior Lecturer, 2014
 - McGill University
 - . Evaluation of application for promotion to Full Professor, 2014
 - Uppsala University, Sweden
 - . Quality and Renewal 2017, member
 - Quality Assurance Netherlands Universities
 - . Member of the Evaluation Committee for the curriculum Medical Psychology, Tilburg University, 2010
 - Keele University, Keele, United Kingdom
 - . Reviewer Case for Promotion to Readership, 2009
 - . Reviewer Case for Promotion to Senior Lecturer, 2016
 - Erasmus University Medical Centre, Rotterdam, The Netherlands
 - . Member of the Advisory Committee on the chair 'Osteoarthritis', 2009
 - External Evaluation Committee 'National program Care for older people', ZonMW, 2016- 2017
 - Finnish Doctoral Programme of Psychology, committee member, 2011
 - Programma Revalidatie-onderzoek, ZonMW (Rehabilitation Research), committee member, 1997- 2010
 - Programma Revalidatie-onderzoek ZonMW (Rehabilitation Research II), committee member, 2006 – 2016
 - 'Paramedische zorg, Zorgonderzoek Nederland' (Allied health care), committee member, 1998-2005
 - 'Commissie Reumaonderzoek' (Arthritis Research), member, 1998-2001
- 6
- 'Commissie overgangsregeling TNO-PG', member, 1999-2000
 - Reviewer:
 - . Medical Research ZON-MW 1997, 1998, 2000, 2001, 2002, 2003, 2004, 2008, 2009, 2011, 2015
 - . Dutch Arthritis Association (Nationaal Reumafonds) 2001, 2002, 2003, 2004, 2010, 2011, 2012
 - . Dutch Cancer Society (2011, 2012, 2018)
 - . Arthritis Research UK
 - . Reviewer Centre of Excellence renewal application, 2012
 - . Reviewer grant application, 2013
 - . Reviewer grant application, 2014
 - . Reviewer grant application, 2016
 - . Reviewer grant application, 2017
 - . South Africa, National Research Foundation
 - . Reviewer of grant application, 2018
 - . Jyväskylä University, Finland, reviewer applications for Associate Professor at the . Faculty of Sports and Health Sciences, 2017
 - . NIHR Post Doctoral Fellowship program, 2013
 - . Niels Stensen Foundation, Reviewer of stipend application, 2011
 - . Royal Dutch Society for Physical Therapy (Koninklijk Nederlands Genootschap Fysiotherapie) 2006, 2007, 2011, 2014

 - Course and underlying mechanisms in medically unexplained physical symptoms (MUPS), a long term follow up study. ZonMW, 2017, EUR XXXX

- Zinvolle doelen in de revalidatie. VUvereniging, 2017, EUR 20.000
- The cost-effectiveness of stratified care by physical therapists in primary care compared to usual physical therapy in patients with osteoarthritis of the knee: cluster RCT. Royal Dutch Society for Physical Therapy, 2018, EUR 205.900
- Opstellen van een plan van aanpak voor het effectiever ontwikkelen van kwaliteitsstandaarden voor de oefen- en fysiotherapie. Zorginstituut Nederland, 2018, EUR 30.000
- Zinvolle doelen in de revalidatie. VUvereniging, 2018, EUR 20.000
- Adaptive and maladaptive emotions in patients with cancer: identification of indicators (EMOCA study). Dutch Cancer Society KWF, 2018, EUR 447.112

Teaching grants

- Symposium Palliative Care, Pieter van Foreest Stichting, 2002, 2004
- Development of courses on palliative care, Pieter van Foreest Stichting, 2005
- Award on 'aging, nursing and social work', Bavo Stichting, 2005
- Educational film on aging of mentally handicapped people, Bavo Stichting, 2005.

Organization of conferences and symposia

- Chair of the program committee of the congress 'Pain, quality of life and chronic illness', Netherlands Behavioral Medicine Federation, Utrecht, 1990
- Chair of the session 'Therapeutic issues', World Association for Sexology, Amsterdam, 1991
- Convenor and chair (together with H. Flor en C. Main) of the symposium 'Pain and musculoskeletal disorders', International Society for Behavioral Medicine, Hamburg, 1992
- Chair of the program committee of the congress 'Compliance, patient education and chronic illness', Netherlands Behavioral Medicine Federation, Amsterdam, 1992
- Chair (together with A. Pool) of the organizing committee of the symposium 'Psychosocial counseling by nurses', Netherlands Behavioral Medicine Federation, Amsterdam, 1993
- Member of the scientific committee and chair of the organizing committee of the international conference 'Improving the quality of physical therapy', Netherlands Institute of Primary Health Care, 's Hertogenbosch, 1994; chair of the symposium 'Physical therapy diagnosis'
- Member of the organizing committee of the Third International Congress of Behavioral Medicine, International Society of Behavioral Medicine, Amsterdam, 1994; chair of the session 'Illness, intervention and rehabilitation' and the session 'Community interventions'
- Chair (together with F. van den Boom) of the program committee of the congress 'Chronic illness, relations and sexuality', Netherlands Behavioral Medicine Federation, Amsterdam, 1994
- Member of the program committee of the Fourth International Congress of Behavioral Medicine, Washington D.C., 1996; chair of the track 'Pain, musculoskeletal and neurological disorders; organizer, chair and discussant of the symposium 'Treatment of musculoskeletal disorders' and the symposium 'Mechanisms of disability and rehabilitation: integrating behavioral medicine and rehabilitation medicine'
- Co-chair of the program committee of the congress 'Fatigue: a chronic issue?', Netherlands Behavioral Medicine Federation/Department of Clinical Psychology, Utrecht University, Utrecht, 1996; chair of the session 'Fatigue and chronic illness'
- Chair of the symposium 'Clinimetrics I' (1997), 'Clinimetrics II' (1997), Utrecht
- Member of the program committee of the Fifth International Congress of Behavioral Medicine, Copenhagen, 1998; chair of the track 'Pain, chronic disease and musculoskeletal disorders'; organizer and chair of the symposium 'Fear and avoidance of activity in musculoskeletal disorders'; chair of the session 'Pain and pain management'; chair of the session 'Biobehavioral processes in chronic disease'; chair of the state of the art lecture by H. Flor 'A biobehavioral approach to chronic pain and its management'; coordinator of the postsessions.
- Co-chair of the program committee of the congress 'Diabetes and behavior', Netherlands Behavioral Medicine Federation/Working group Psychosocial Diabetics, Amersfoort, 1998.

- Member of the program committee of the Sixth International Congress of Behavioral Medicine, Brisbane, 2000; organizer and chair of the symposium 'Biobehavioral mechanisms of pain and disability in musculoskeletal disorders'; chair of the session 'Patients experiences in the health care system'.
- Member of the Local Organizing Committee of the congress of the International Society of Technology Assessment in Health Care, The Hague, 2000; organizer and chair of the symposium 'Musculoskeletal disorders: from trials to guidelines'.
- Organizer and chair of the symposium 'Arthritis patient education', Utrecht, 2000.
- Chair of the congress 'Efficacy of psychological interventions in rehabilitation', Nederlands Instituut voor Psychologen, Utrecht, 2001.
- Chair of the symposium 'The patient in multidisciplinary treatment', Nederlandse Vereniging voor Reumatologie, Utrecht, 2001.
- Chair of the Sessions 'Neuropsychological assessment', Osteoporosis and osteoarthritis', and 'Outcome of stroke rehabilitation', International Society of Physical and Rehabilitation Medicine, Amsterdam, 2001.
- Chair of the congress 'Biologie en psychologie: verstandshuwelijk of ware liefde?', Ede, 2001.
- Member of the program committee of the Seventh International Congress of Behavioral Medicine, Helsinki, 2002. Organizer and chair of the symposium 'Exercise and arthritis: enhancing long term outcome'
- Chair of the symposium "Research on movement", Maastricht, 2002.
- Chair of symposium committee 'Palliatieve zorg: waar staat de verpleegkundige?' College 'Health Care and Welfare', Amsterdam, 2003.
- Chair of the session 'KNGF Richtlijn CVA', The Hague, 2003.
- Co-chair of the program committee of the Eighth International Congress of Behavioral Medicine, Mainz, 2004; organizer and chair of the symposium "Physical activity and rehabilitation in musculoskeletal disorders: psychological perspectives".
- Chair of the symposium committee 'Symptombestrijding in de palliatieve zorg: de rol van de verpleegkundige', College 'Health Care and Welfare', Amsterdam, 2005.
- Eeuwfeest Jan van Breemen Instituut, chair of session on 'Rehabilitation' and of debate on 'Fibromyalgia', Amsterdam, 2005.
- Chair of symposium 'Meten en voorspellen in de revalidatie bij neurologische aandoeningen: wat levert het op?', Vrije Universiteit, Amersfoort, 2005.
- Chair of the Research Workshop on Osteoarthritis, VU University, Amsterdam, 2006.
- Member of the program committee of the Ninth International Congress of Behavioral Medicine, Bangkok, 2006. Organizer and chair of the symposium 'Navigating the fog of fibromyalgia through scientific inquiry: empirical evidence on specific mechanisms and targeted treatment'.

15

- Member of the program committee of the Tenth International Congress of Behavioral Medicine, Tokyo, 2008; track chair "Pain, Musculoskeletal and Neurological Disorders".
- Chair of symposium 'Onderzoek in Beweging: Fysiotherapie bij artrose en osteoporose', Maastricht, 2008.
- Chair of session 'Nederlandse Health Professionals', Nederlandse Vereniging voor Reumatologie, Arnhem, 2008
- Chair of symposium 'The course of functional status in elderly patients with sequelae of poliomyelitis, osteoarthritis and Parkinson's disease: the influence of age-related impairments and comorbidity. The CARPA Study'. Vereniging van Revalidatie Artsen/British Society of Rehabilitation Medicine, Ermelo, 2008
- Chair of the session 'Zorgmodellen voor artrose', Nederlandse Vereniging voor Reumatologie, Arnhem, 2009
- Chair of the organizing committee 'Revalidatie in de schijnwerpers', VU University Medical Center, Amsterdam, 2010
- Member of the organizing committee 'Soma en Psyche, wetenschap en praktijk', VU University Medical Center and InGeest, Amsterdam, 2010
- Member of the program committee of the Eleventh International Congress of Behavioral Medicine, Washington, 2010; track chair "Pain, Musculoskeletal and Neurological Disorders". Chair and organizer of the symposium 'Psychological distress and musculoskeletal pain'.
- Chair of the session 'Ervaringen uit de revalidatie in Reade en Vumc' of the congress 'Cocreation in rehabilitation', Reade, Amsterdam, 2010
- Chair of the program 'Osteoarthritis' at the Annual Congress of Physiotherapy, Royal Dutch Society for Physical Therapy,

Amsterdam, 2010

- Chair of the poster session 'Osteoarthritis', Primary Care Musculoskeletal Research Congress (PRIMUS), Rotterdam, 2010
- Reviewer European Congress of Rheumatology EULAR 2011, London, 2011
- Chair Expertmeeting 'Onderzoeksprioriteiten in de fysiotherapie', Nivel, Utrecht, 2011
- Chair workshop 'Impairments in the rheumatic hand: more than joints', VRA Annual Congress, Ermelo, 2011
- Chair 'Artrose middag', Reade, Amsterdam, 2011
- Chair Round Table 'Effectieve artrosebehandeling', Zaandam, 2011
- Reviewer European Congress of Rheumatology EULAR 2012, Berlin, 2012
- Chair of the session 'How to run an osteoarthritis clinic in daily practice', European Congress of Rheumatology EULAR 2012, Berlin, 2012
- Member of the program committee of the 12th International Congress of Behavioral Medicine, Budapest, 2012; track chair "Pain, Musculoskeletal and Neurological Disorders"; chair session 'Pain, Musculoskeletal and Neuromuscular Disorders'; chair Master lecture Linda Carlson Mindful-based cancer recovery; organizer and chair symposium 'Understanding the role of psychological factors in musculoskeletal disorders'
- Chair 'Patientgerichte therapie', Nederlandse Vereniging voor Reumatologie, Arnhem, 2012
- Chair congress 'Trainen van stabiliteit bij artrose', Reade, Amsterdam, 2012.
- Reviewer OARSI 2013 World congress on osteoarthritis, Philadelphia, 2012
- Chair Masterclass 'Chronic pain', Reade, Amsterdam, 2013

16

- Chair of the session 'Optimization of care for patients with hip and knee osteoarthritis, European Congress of Rheumatology EULAR, Madrid, 2013
- Reviewer EULAR congress, Madrid, 2013
- Chair Masterclass 'Behandeling van vermoeidheid in de revalidatiesetting', Reade, Amsterdam, 2013.
- Member of the program committee of the 13th International Congress of Behavioral Medicine, Groningen, 2014; chair of the pre-conference workshop 'Behavioral Medicine in China'; chair of the pre-conference workshop 'Designing and promoting intervention in psychosocial cancer care'; chair of the session 'Pain and pain behavior'.
- Chair of the minisymposium 'de Toekomst van Pijnrevalidatie', Reade, Amsterdam, the Netherlands, 2014
- Chair of the session 'Psychosociale zorg bij inflammatoire artritis: state of the science', Netherlands Society for Rheumatology, Arnhem, 2014
- Member of the program committee Najaarsdagen Reumatologie, Arnhem, 2015
- Chair of the session 'Comorbiditeit, frailty en functioneren: welke rol kan fysiotherapie spelen ? KNGF/WCF Wetenschapsdag, Amersfoort, 2015
- Chair session, World Congress of Psycho-Oncology, Washington DC, 2015
- Chair of the session 'Comorbidity and functioning in rheumatic disease', Netherlands Society for Rheumatology, Arnhem, 2015
- Chair of the session 'Sustainable top-quality user-friendly measurement. Why and how ? Netherlands Society of Physical Medicine and Rehabilitation Medicine, Rotterdam, 2015
- Chair of the session 'Existential global meaning and rehabilitation: a cross-disciplinary perspective', Netherlands Society of Physical Medicine and Rehabilitation Medicine, Rotterdam, 2015
- Member of the program committee of the 14th International Congress of Behavioral Medicine, Melbourne, 2016; chair of the pre-conference workshop 'Education and Training in behavioral medicine – international perspectives'; co-chair of the symposium 'Health behaviors, cerebrovascular lesions and cognitive functioning'; chair of the keynote address 'Medically unexplained symptoms – time for a name and paradigm shift' by Prof Moss-Morris.
- Member of the faculty 1st Workshop on 'Behavioral medicine in a global world', Jining, China, 2016
- Chair and organizer of the symposium 'The evidence base for psychosocial interventions in oncology – the way forward', International Society for Psycho-Oncology, Dublin, 2016
- Organizer of the symposium 'Eigen regie en veerkracht – bevorderen en herstel van functioneren bij somatische aandoeningen', Amsterdam, 2016
- International Advisory Committee of the 20th IPOS World Congress of Psycho-Oncology, Hong Kong, 2018 – member

- Chair of the session 'Advanced biomechanics – From evidence to new technologies: Results from the KNEEMO Initial Training Network'. OARSI World Congress, Liverpool, 2018
- Member of the program committee of the 15th International Congress of Behavioral Medicine, Santiago, 2018; chair of the meeting 'Building your behavioral medicine network: professional development for early career investigators in under-developed and traditionally under-represented regions'; discussant in the pre-conference workshop 'Teaching behavioral medicine – an inspirational workshop'; presenter in the
17
meeting 'Revising the definition of behavioral medicine: perspectives from 'western' and 'non-western' countries'; discussant in the symposium 'Cognitive and emotional factors in medically unexplained physical symptoms'; chair of the keynote address 'Making Behaviour Change Research Useful' by Charles Abraham.
- Chair and organizer of the symposium 'Better Theory – Better Interventions', International Society for Psycho-Oncology, Hong Kong, 2018
- Chair of the session 'Translational Research', International Society for Psycho-Oncology, Hong Kong, 2018

Lectures (international)

1. Cognitive processing of sexual stimuli: effects on the sexual response. European Association for Behaviour Therapy, Lausanne, Switzerland, 1986.
2. Voluntary control of sexual arousal. International Academy of Sex Research, Amsterdam, 1986.
3. Obsessive sexual desire: how is sexual arousal regulated psychologically? European Association for Behaviour Therapy, Amsterdam, 1987.
4. Quality of life in patients with ventricular tachycardia or fibrillation after myocardial infarction: three dimensions. European Health Psychology Society, Utrecht, 1989.
5. Assessment and treatment of inhibited male orgasm: a review. World Association for Sexology, Amsterdam, 1991.
6. Pain and disability in osteoarthritis: a review of biobehavioral mechanisms. World Confederation for Physical Therapy, London, 1991.
7. A classification of disorders treated by speech therapists. Permanent Liaison Committee of E.E.C. Speech Therapists and Logopedists, Athens, 1992.
8. Exercise therapy in patients with rheumatoid arthritis and osteoarthritis: a review. World Congress of Psychosomatic Medicine, Bern, 1993.
9. Behavioral science and physical therapy. Improving the Quality of Physical Therapy, 's Hertogenbosch, 1994.
10. Exercise therapy in patients with rheumatoid arthritis and osteoarthritis: a review. International Society of Behavioral Medicine, Amsterdam, 1994.
11. The Physical therapist's diagnosis and the number of therapeutic sessions. World Confederation for Physical Therapy, Washington D.C., 1995.
12. Psychosocial problems and physical therapy. World Confederation for Physical Therapy, Washington D.C., 1995.
13. Effectiveness of exercise therapy in patients with osteoarthritis, International Society of Technology Assessment in Health Care, Barcelona, 1997.
14. Exercise therapy in patients with osteoarthritis of the knee or hip. A systematic review. Workshop knee pain and neck pain. Amsterdam, 1997.
15. Fear and avoidance of activity in osteoarthritis patients. International Society of Behavioral Medicine, Copenhagen, 1998.
16. Exercise therapy in patients with osteoarthritis: a systematic review. International Society of Technology Assessment, Ottawa, 1998.
17. Avoidance of activity and disability in patients with osteoarthritis of the knee: the mediating role of muscle weakness. International Society of Physical and Rehabilitation Medicine, Amsterdam, 2001.
18
18. Coping, pain and disability in osteoarthritis: a longitudinal study. International Society of Physical and Rehabilitation Medicine, Amsterdam 2001.
19. Efficacy of strategy training in left hemisphere stroke patients with apraxia: a randomized clinical trial. International Society of Physical and Rehabilitation Medicine, Amsterdam 2001.

20. Long-term effectiveness of exercise therapy in osteoarthritis of the hip or knee. American College of Rheumatology, San Francisco, 2001.
21. Fatigue in patients with osteoarthritis of the hip or knee. American College of Rheumatology, San Francisco, 2001.
22. Fatigue in patients with osteoarthritis of the hip or knee. International Society of Behavioral Medicine, Helsinki, 2002.
23. Possession and use of walking aids among patients with rheumatoid arthritis and osteoarthritis. International Conference on Multidisciplinary Care in Rheumatoid Arthritis, Noordwijk, 2002.
24. Construct validity of the Coping Inventory for Stressful situations (CISS) in children and adolescents with chronic digestive disorders. Society of Behavioral Medicine, Salt Lake City, 2003.
25. Functional decline in osteoarthritis of the knee: psychological factors. International Society of Behavioral Medicine, Mainz, 2004.
26. Clinimetrics in Rehabilitation Medicine. University of Southern Denmark, Odense, 2006.
27. Systematic reviews of intervention studies: basic steps, illustration and critical issues, International Society of Behavioral Medicine, Bangkok, 2006
28. The overloading personality in patients with fibromyalgia, International Society of Behavioral Medicine, Bangkok, 2006
29. Enhancing the evidence base in behavioral medicine – perspectives from clinical care and public health, International Society of Behavioral Medicine, Bangkok, 2006
30. Basic Components of a systematic review. Society of Behavioral Medicine, Washington, 2007
31. Self efficacy and disability in chronic pain patients. European Health Psychology Society, Maastricht, 2007
32. Is osteoarthritis a neuromuscular disease ? The Royal Society of Medicine, London, 2007
33. Patient centered care and collaborative care in rehabilitation and physiotherapy. University of Jyväskylä, Jyväskylä, 2008
34. Measuring outcome in rehabilitation, IFOMT, Rotterdam, 2008
35. Forefoot Impairments and Walking Disability in the First Eight Years of Rheumatoid Arthritis, International Society of Behavioral Medicine, Tokyo, 2008
36. Patient preference and research evidence: creating synergy in clinical care, International Society of Behavioral Medicine, Tokyo, 2008
37. Responsiveness of health measurement instruments, University of Jyväskylä, Jyväskylä, 2008.
38. Exercise therapy. IMUKA International Meeting for Knee Arthritis, Maastricht, 2009
39. Patient preference and research evidence: creating synergy in clinical decision making. Society of Behavioral Medicine, Montreal, 2009
40. Chronic Widespread Pain, University of Jyväskylä, Jyväskylä, 2009
- 19
41. Comorbidity and rehabilitation, University of Jyväskylä, Jyväskylä, 2009
42. Predictors of functional decline in knee OA. EULAR, Rome, 2010
43. Vitality and the course of limitations in activities in osteoarthritis of the hip or knee, International Society of Behavioral Medicine, Washington, 2010
44. Exercise adherence improves long-term patient outcome in patients with osteoarthritis of the hip or knee, International Society of Behavioral Medicine, Washington, 2010
45. Prognostic factors for the two-year course of activity limitations in early osteoarthritis of the hip or knee: results from the CHECK cohort, International Society of Behavioral Medicine, Washington, 2010
46. Exercise in osteoarthritis – what is the evidence ? Danish Society of Rheumatology, Svendborg, 2010
47. How to improve adherence to exercise in osteoarthritis ? Danish Society of Rheumatology, Svendborg, 2010
48. There is (not) enough evidence for Clinical Guidelines regarding physical therapy for musculoskeletal disorders (contribution to debate), Primary Care Musculoskeletal Research Congress (PRIMUS), Rotterdam, 2010
49. How to improve adherence to exercise in osteoarthritis ? University of Keele, Keele, 2010
50. Functional decline in osteoarthritis. Osteoarthritis Symposium, Glasgow Caledonian University, 2011
51. How to improve adherence to exercise ? Suomen Ortopediyhdistys, Tampere, 2011
52. Introduction to ISBM and IJBM, Jining Medical University, Jining, 2012
53. Screening for psychological distress in somatic disease, Jining Medical University, Jining, 2012
54. An overview of behavioral medicine teaching from international perspective, Jining Medical University, Jining, 2012

55. Systematic understanding of the quality of Patient Reported Outcomes to improve clinical trials, European Congress of Rheumatology EULAR, Berlin, 2012
56. Functional decline in osteoarthritis, International Society of Behavioral Medicine, Irmela Florin lecture, Budapest, 2012
57. Predictors of multidisciplinary treatment outcome in fibromyalgia: a systematic review, International Society of Behavioral Medicine, Budapest, 2012
58. Screening for psychological distress: is screening the effective solution ?, Society of Behavioral Medicine, San Francisco, 2013.
59. How to assess comorbidity in the research setting – a review of available instruments. European Congress of Rheumatology EULAR, Madrid, 2013
60. Promoting physical activity and exercise adherence – new developments, University of Jyväskylä, Jyväskylä, 2013.
61. Rehabilitation after stroke. Chinese Society of Behavioral Medicine, Qindao, China, 2013.
62. Promoting adherence to exercise therapy and physical activity. Chinese Society of Behavioral Medicine, Xi'an, China, 2013
63. Psychological distress in patients with cancer: is screening the effective solution ?, International Psycho-Oncology Society, Rotterdam, 2013
- 20
64. Psychological distress in patients with cancer: is screening the effective solution ?, Chilean Society of Behavioral Medicine and Health Psychology, Santiago, 2013
65. Promoting adherence to exercise therapy and physical activity, Chilean Society of Behavioral Medicine and Health Psychology, Santiago, 2013
66. Promoting adherence to exercise therapy and physical activity. Kyoto University, Kyoto, 2014
67. Psychological distress in patients with cancer: is screening the effective solution ?, Japanese Society of Behavioral Medicine, Kyoto, 2014
68. Assessment of comorbidity: how and for which purpose ?, Society of Behavioral Medicine, Philadelphia, 2014
69. Does self management save costs in health care ?, European Congress of Rheumatology EULAR, Paris, 2014
70. Functional decline in osteoarthritis of the knee, MOVE – AGE, Amsterdam, 2014
71. Promoting adherence in rheumatic and musculoskeletal diseases: state of the science and new developments, International Society of Behavioral Medicine, Groningen, 2014
72. Pain-related avoidance of activities in early knee osteoarthritis: 5-year follow up study. Society of Behavioral Medicine, San Antonio, 2015
73. The scope of behavioral medicine: an international perspective, Taishan Academic Forum, Jining, China, 2015
74. Psychological distress in somatic disease – the example of cancer. National Congress of Behavioral Medicine, Wuxi, China, 2015
75. Theories in behavioral medicine and behavior modification techniques. Jining Medical University, Jining, China, 2015
76. Effectiveness of comorbidity-adapted exercise therapy in patients with knee osteoarthritis and comorbidity. Keele University, United Kingdom, 2016
77. Adapting physical activity and exercise to comorbid conditions. Society of Behavioral Medicine, Washington DC, USA, 2016
78. Emotions and mental disorders in patients with cancer – on the need to distinguish adaptive and maladaptive emotional responses. Beijing Cancer Hospital, Beijing, China, 2016
79. Psychological adjustment to chronic disease. University College of Medicine, Hangzhou, China, 2016
80. Adapting physical activity and exercise to comorbid conditions. Jining Medical University, Jining, China, 2016
81. Effectiveness of comorbidity-adapted exercise therapy in patients with knee osteoarthritis and comorbidity. Jining Medical University, Jining, China, 2016
82. How to integrate biomedical information into behavioral intervention?, Jining Medical University, Jining, China, 2016
83. Chronic disease: emotion, motivation and behavior, Jining Medical University, Jining, China, 2016
84. On the need to integrate biomedical information into behavioral interventions in medicine, School of Public Health, Chinese University of Hong Kong, Hong Kong, China, 2016
85. Tailoring exercise interventions to comorbidities and treatment induced adverse effects in patients with early stage breast cancer undergoing chemotherapy: a

framework to support clinical decisions, International Society of Behavioral Medicine, Melbourne, 2016

86. Efficacy of tailored exercise therapy on physical functioning in patients with knee osteoarthritis and comorbidity: a randomized trial, International Society of Behavioral Medicine, Melbourne, 2016

87. Emotions and mental disorders in patients with cancer – on the need to distinguish between adaptive and maladaptive emotions, International Society of Behavioral Medicine, Melbourne, 2016

88. Discussant symposium 'Roles and perspectives in behavioral medicine research in Asia – Experiences in three Asian countries', International Society of Behavioral Medicine, Melbourne, 2016

89. Psychological adjustment and rehabilitation – An exploration, Dutch Congress of Rehabilitation Medicine, Maastricht, 2016

90. Controlling behavioral risk factors after stroke – a research agenda. Shijiazhuang, China, 2017

91. Controlling behavioral risk factors after stroke – a research agenda. Jining, China, 2017

92. Updated definition of behavioral medicine. Changsha, China, 2017

93. Exercise therapy in people with comorbidity or multimorbidity. Xiamen, China, 2017

94. Depression and anxiety in physical illness. Xiamen, China, 2017

95. Treatment guidance on behavioral interventions for people with comorbidity or multimorbidity. Academy of Behavioral Medicine Research, Hilton Head, USA, 2018

96. Behavior change in chronic disease – the need to take both behavioral and biomedical knowledge into account', Jining Medical University, Jining, China, 2018

97. Behavior change in chronic disease – the need to take both behavioral and biomedical knowledge into account', Chinese Society of Behavioral Medicine, Zhengzhou, China, 2018

98. Adaptive and Maladaptive Emotions in Patients with Cancer: Identification of Indicators and Tailoring of Interventions, International Psycho-oncology Society, Hong Kong, 2018

99. Screening and stepped care targeting psychological distress in patients with metastatic colorectal cancer: the TES cluster randomized trial. International Society of Behavioral Medicine, Santiago, 2018

Lectures (Dutch, selection)

1. Een lange termijn follow-up onderzoek onder paren behandeld voor seksuele dysfuncties. Vereniging voor Seksuologie, Utrecht, 1982.

2. Seksueel verlangen en de behandeling van stoornissen daarin. Vereniging voor Gedragstherapie, Zeist, 1984.

3. Seks therapie in mannengroepen. Vereniging voor Seksuologie, Utrecht, 1985.

4. Cognitieve processen en seksuele opwinding bij exhibionisme. Nederlandse Vereniging voor Hypnotherapie en Vereniging voor Seksuologie, Amersfoort, 1986.
